

6th March 2023

The PA Committee would like to thank the Strandhill National School Community for the fantastic turnout and overwhelming support to the table Quiz on Saturday 4th March. Once again, as a community, we highlighted the importance of the school for us, and more importantly we reaffirmed our commitment to supporting our children.

After expenses, we managed to raise €2,214.60 at the event. Together with the funds raised so far through the Halloween Disco (€1,000) and the iDonate Page (currently at €2,260) as parents we have raised a total of **€5.474.60!** This substantial contribution moves us closer to the target of €10,000 for the playground enhancement fund.

So, thanks again for your very generous support and positive contribution to our school. We look forward to your continued support as we work towards our fundraising target for the enhancement of a second play area in our school - Scoil Asicus Naofa.

Go raibh maith agat!

PA Committee
